

Display Play Button Overlay

Feature Description

The play button overlay is turned on by default but can be turned off as needed.

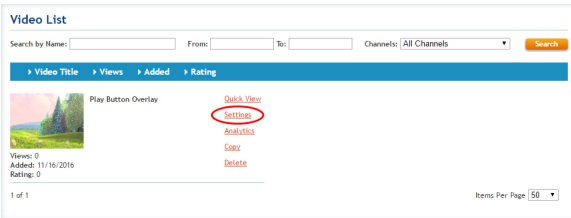

To see the Play Button Overlay in the ON MODE, click here [ResultingPlayer](#).

Getting Started

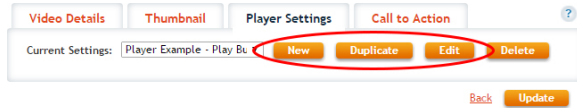

Step 1. Click on the VIDEOS button.

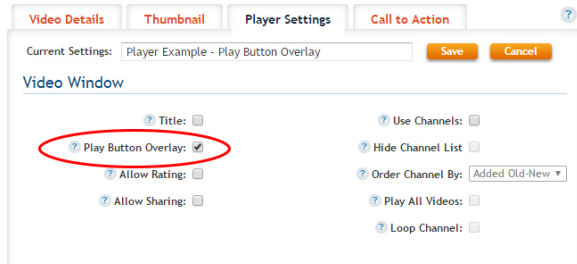

Step 2. Click on SETTINGS.

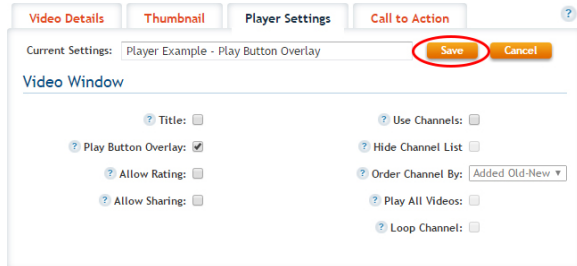

Step 3. Click on NEW, DUPLICATE or EDIT. See [Description of NEW, DUPLICATE and EDIT](#).

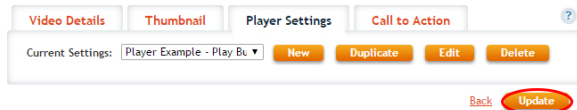

Step 4. Place a check in the Play Button Overlay checkbox to turn it on, and remove the check to turn it off.

Step 5. Be sure to SAVE your changes.

Step 6. Be sure to UPDATE your changes.
